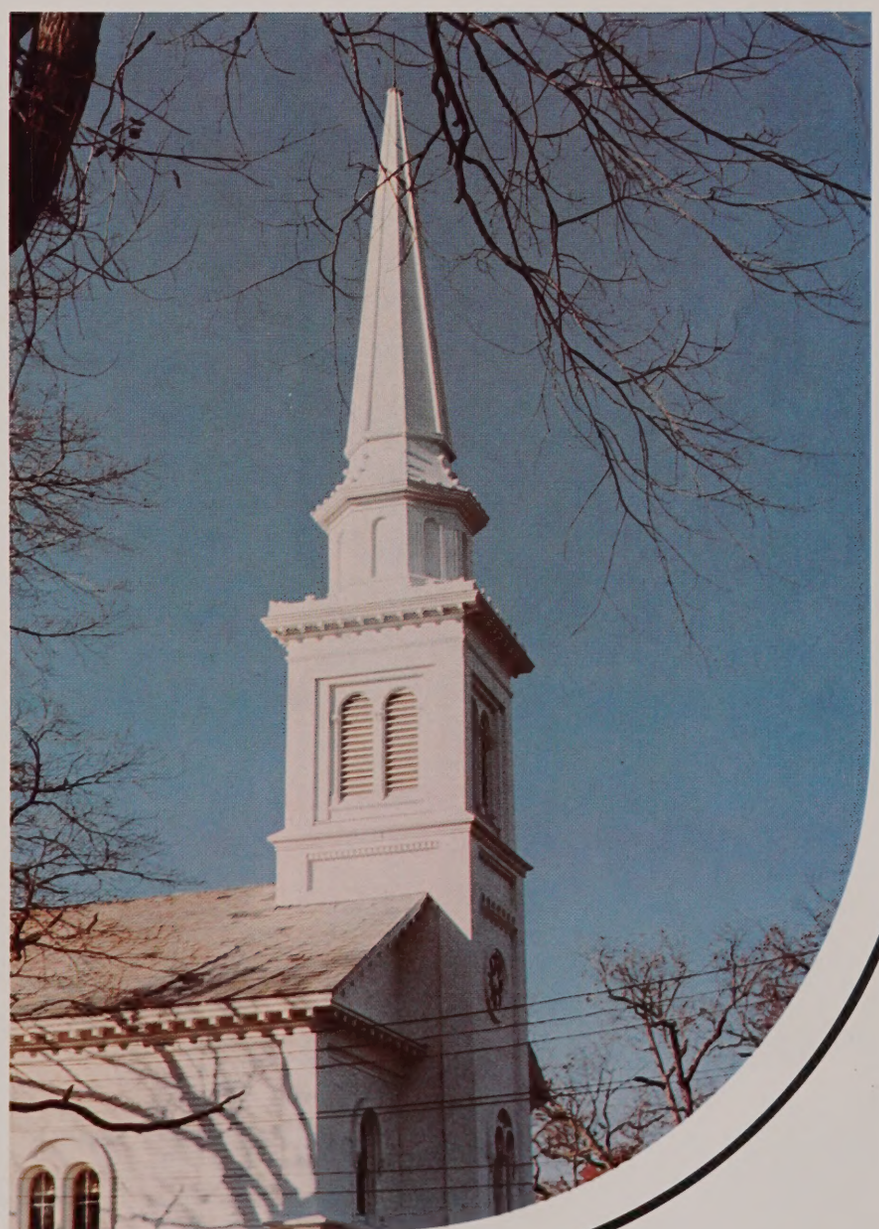
**The road goes ever on and on**
**down from the door where it began,**
**now far ahead the road has gone**
**and I must follow, if I can.**



**Pursuing it with eager feet until it joins some larger way where many paths and errands meet, and whither then? I cannot say.**

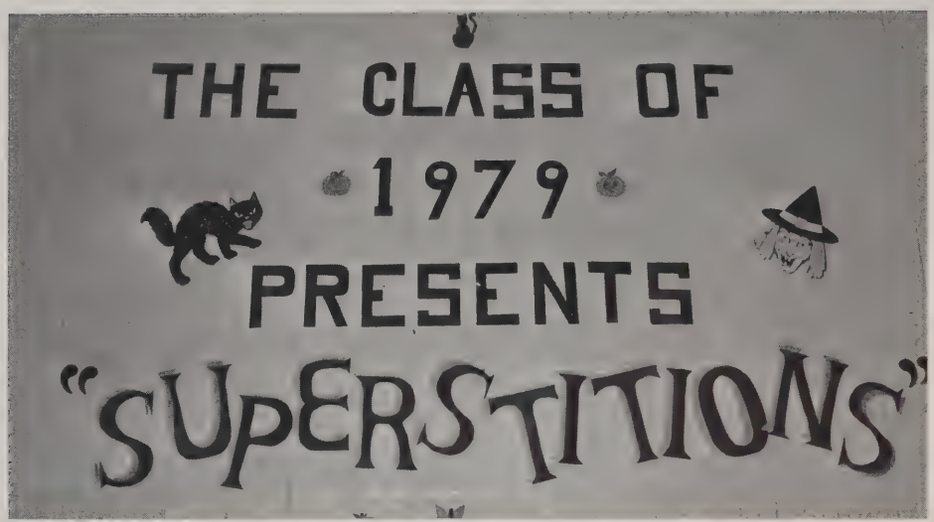
FALL

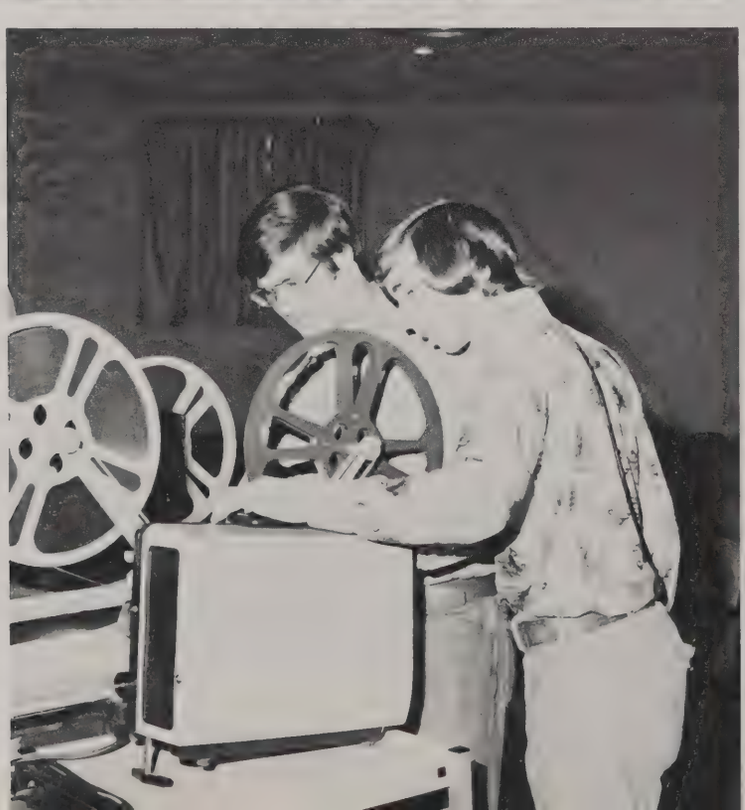
# Booster Day Dance Starts Year



The annual fall Booster Day was held on Friday the 13th of October. The pep assemblies held that moring presented the fall sports teams to the school. The cheerleaders, who put on the assemblies, led the students in many cheers with the support of the Pep Band. That evening, hundreds of students attended the pep rally and burning of the effigy. After the rally, the Booster Day Dance, entitled "Superstitions," was presented by the Class of '79.

# Now Playing In Ludlow

The Junior Classical League featured its first "Horror Fest" on Oct. 22. Three box-office hits were Alfred Hitchcock's, "Psycho", along with "Tales from the Crypt" and "Murder by Death". The movies were from 4:30 to 9:30 with intermissions. This was the only major fund-raiser to help with the expenses of the annual J.C.L. show at Christmas. They made $230 in their first "Horror Fest".



# Air Force Band Performs For High School Audience

This Christmas season a touring Air Force Band performed for an assembly of the entire school. The band played many traditional Yuletide selections which were received warmly by the audience. After the assembly members of the band were available for discussion of the merits of an Air Force career. The assembly provided a welcome change in the unusually hectic schedule just before the Christmas vacation.

# Dancing The Night Away

On October 27 the staff of the 1979 Yearbook sponsored its first dance marathon called Dance-A-Thon in order to raise money for the yearbook treasury. This was the first fundraiser of its kind to be held at Ludlow High School and the struggle to get it approved by the administration was difficult. Though only sixteen couples participated, over eight-hundred dollars was raised. The Dance-A-Thon was a surprising success in spite of any apprehension on the part of the faculty and the student body. It was accomplished through the efforts of the Yearbook staff and several members of the faculty who volunteered to chaperone. The staff was particularly grateful to John Campolo and his band for donating their time to providing music for the last three hours of the Dance-A-Thon which lasted from 12:00 noon to 10:00 that night. Even after ten hours the dancers were sorry to go home.

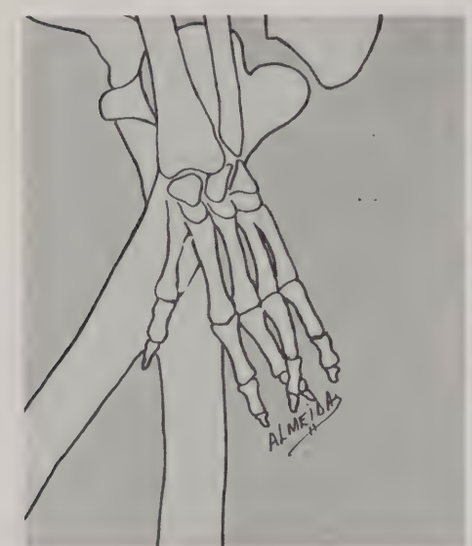
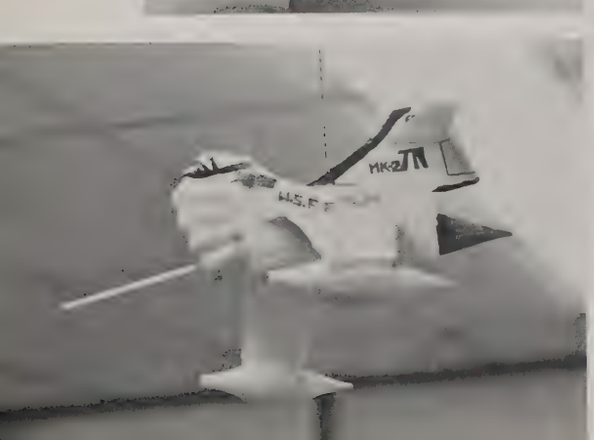
# The Drama Club For 1979 Presents J.R.R. Tolkein's "The Hobbit"

The L.H.S. Drama Club this year presented the play "the Hobbit" based on the book by J.R.R. Tolkein. The play was performed on November 9,10,11, and 12. Because of the early performance date the cast and crew were forced to work particularly hard in order to be ready for their opening night. Lynn Rodiman played Bilbo Baggins (the Hobbit). Karen Firovanti appeared as Thorin Oakenshield (a king of dwarves) John Labossiere as the wizard Gandalf, and Mary Irvine as the Elven Queen. Besides these the cast also included a dozen other dwarves, elves, spiders, trolls, goblins, played by the L.H.S. football team, a frog-like creature called Gollum, played by Joanne Mei, and a dragon. This was the Drama Club's major production of the year and required immense preparation. Mrs. Roy, advisor to the club, directed the play with vigour and stamina. The result was a tremendous success and a wonderful display of talent which delighted the audiences filling the auditorium.

# Art Show Brings Out Unique Talent

"I do not seek, I find." These words express the attitude of the world famous painter and sculptor Pablo Picasso. Although the Art Show for 1978 did not display any famous works of art, it did show some very interesting pieces created by the students. The subjects range from Star Wars and other space-related characters to drawings of human forms. The entire show focused on the talent of those students involved in the Art Department at school.





# Soccer

This year again the Lions, under the guidance of Coach Goncalves, compiled a fine season on the soccer field. In the regular season they came up with a 6-3-2 record and in the postseason playoffs they tallied up a 2-1-0 record. Leading the Lions to their wins on the field were seniors Pete Estanislau, Ray Robar, Glenn Davies, Mark Cameron, and the three captains Archie Augusto, Dave Burek, and D.J. Goncalves. Each of the three captains made All-Western Mass.

As usual the games were always exciting; however, the most exciting and most controversial of the games was the playoff game against the Panthers of Cathedral. In this game the Lions and the Panthers went into multiple overtimes, and because of a questionable call by a referee, the Lions went down to a 2-1 defeat.

With a strong nucleus of underclassmen returning next fall, Coach Goncalves is looking forward to another good season and the possiblity of playoff contention again.

# Cross Country

Coach Larrivee's cross country team ended up with a 2-11-0 season record. This record doesn't tell the whole story. The record was offset by the fact that some of the individuals did place quite well in many of the meets. This year's team had only two seniors on it. They were Reese Savoie and Michelle Germain. This lack of long-term experience could be one of the factors which hindered the season's outcome. This season was the first year the Lion's cross country team had girls run for the team in the meets. Michelle Germain, Jamie Moore, and Alana Bordon all did a fine job with Michelle qualifying for state competition.
The J.V. team had a record of 2-6-0 and with most of them returning next fall, next year's team looks good. Good Luck to the Coach and the runners.

# Girl's Soccer

Under the guidance of Coach Sullivan, the two-year-old team had another impressive year. Strong performances by such returning players as Lori McKay, Tracy Papuga, and Laurie Goncalves helped the Lions to achieve a 7-6-4 record. Freshmen Ginny Bruce and Debbie Harackiewicz also contributed to the team's success. Even though the girl's soccer program is still young at Ludlow High, much enthusiasm is being shown by and for the team as the team's prowess becomes more apparent with each season. Since there were no seniors on the team there shouldn't be any gaps in the starting lineup next year. With most of the squad coming back for their third season, continued improvement is expected next year.

# Field Hockey

Well, for the three field hockey fans out there, we've got some good news and some bad news resulting from the 1978 season. First we'll give you the good news:
1. The Ludlow Lions scored more goals than they did in 1977;
2. Our opponents scored fewer goals than last year;
3. Our six starting seniors played exceptionally well this year;
4. Boys are allowed to play field hockey in Ludlow; and, last but not least,
5. The Ludlow Lions will have new shirts for the coming year.

And now for the bad news:
1. In 1977 we scored a total of **5** goals; in 1978 we scored **7;**
2. Our opponents scored more than **60** goals last year; this year they scored **37;**
3. With the six seniors graduating, there will be only five experienced starters left;
4. If any boys wished to play field hockey at Ludlow High, they'd have to wear kilts;
and 5. The new shirts will only be used for away games, therefore the players will still have to wear the Peter Pan blouses for home games that have been used for the past three years.

Well, maybe the boys wouldn't have to wear kilts, but that's not the problem. What the LHS field hockey team needs is a better turnout at the beginning of the season by both fans and players.

# Football

At the outset of the football season, the coaching staff and players alike had high expectations. These hopes however were lost as the season wore on and the victories failed to be chalked up.

After a rough 0-5 start, the Lions roared back to defeat the Northampton Blue Devils, in a game that was as exciting as most college level games. In both halves of the game the Lions, led by captains Max Schneider, Gary Perella and Chris Scyocurka, were losing by two touchdowns, in the first quarter. Just before halftime, they stormed back to take the lead. After halftime and several minutes of play, the Lions were once again down by two touchdowns. However the Lions amazingly were able to come back, in the final minutes, to win the game, 28-24.

In the following three games the Lions fell to their rivals which stopped their chances for a .500 seson record.

Their final contest was against the Palmer Panthers in the Thanksgiving Day game. The Lions played an overpowering game in which they claimed their second victory. This win over Palmer meant alot to the Lions because they had beaten a strong opponent while they also ruined the Panthers' chances for a league title. This victory over Palmer made not only the Thanksgiving dinner go down easier but also the season.

WINTER

# Senior Christmas Banquet

The Christmas season is a time when people exchange gifts, take part in religious ceremonies and decorate their homes with holly, mistletoe and Christmas trees. For the Senior Class it was a time to get together with friends at the Senior Christmas Banquet. It was held on December 15, 1978 at the Polish American Citizens Club. The music was supplied by the Jolly Roger Band. This was the first Christmas banquet put on by our Senior class. The banquet had many arrangement problems from both the administration and the faculty, but thanks to the determination of Nancy Sarlan it was a great success and was enjoyed by everyone present.

MERRY CHRISTMAS
SEASONS GREETINGS

# Father Christmas Arrives!

The Junior Classical League held their first Christmas Show on December 18,20, and a special performance at East Street School on the 21st. The show, which is usually held in March, consisted of acts as "Twelve Days of Christmas", a disco act, and a solo sung by John Campolo. The theme this year was "I Believe in Father Christmas", and it denounced the commercialism involved in this holiday. The show was directed by Mr. Bradshaw along with the club officers, and made this Christmas a little bit more special.

# Winter Sports Begins!

On Friday, January 5, 1979, the Winter Sports teams were credited at the Booster Day Assembly. It was put on by the three cheerleading squads and the Student Council. That night, a dance was held with the music of a local disc jockey providing the entertainment. A dance competion was held in which only two couples were willing to participate. The winning couple was Denise Wilcox and Ken Teixeira, receiving a disco album each. This was the first year for a winter Booster Day Dance to raise the morale of the too often neglected winter sports. At the same time roughly $500 was raised for the student council treasury.

# Wanted: A Pint Of Blood!

More than 100 students, faculty and townspeople turned out on January 12 to help a worthwhile cause. The event was the annual Ludlow High School Bloodmobile. This year records were broken and 133 pints of blood were collected. It was sponsored by the Student Council and coordinated by Valerie Mishol and Ray Robar.

# Seniors 'Go Wild' In Show Business

If there was one thing which a student from Ludlow High School could not forget it would be his Senior Show. The Senior Show this year was very special to the Class of '79. We who had seldom shown more than a little unity found it at last. Mr. Andreis and Mr. Martin who have been directing the Senior Show for the past six years helped through their encouragement and discipline to produce on stage a show which could live up to the reputation of even its most spectacular predecessors. Nothing can match that feeling after the Friday night show when we thought that there truly was "no business like show business". It was a comfortable feeling to know that one was part of a class which had accomplished the prodigous feat of performing two and a half hours of successful comedy, music, and drama. The Seniors performed Thursday, February 15 for retarded citizens from local institutions and Friday and Saturday nights for the public.

Those who bought tickets to the show helped to pay for the yearbook which you are now reading. The parents and friends who attended the show were thrilled at the amount of work which was poured into the show especially by student coordinators Janet Thompson and John Campolo, who were elected by the Senior Class and were at the high school for every night of rehearsal along with the directors Mr. Andreis and Mr. Martin. The amount of time it took to rehearse skits like the World War II skit and Gretchen Palmer and Sue Kecki's tap dancing routgine as well as all the other acts cannot be exaggerated. Even so, many seniors went not only to their own rehearsals but to others to watch and enjoy the talents of their classmates. Through the Senior Show the Class of '79 got to know show business but we also got to know ourselves and that "there's a time for us."

# Hockey

This year's hockey team started off the season on the right skate by taking victories in 3 of the first four games they played and tying the fourth game. For the rest of the year the pucksters were only able to come up with 2 more wins while the rest of the year was predominatly ties and losses. Although the season was nothing to jump up and down about the fans still continued their jumping because the Lions always provided an action packed game no matter if they won or lost.

Seniors Matt Dorval, captain Jeff Keyes and captain Chris Bradway led the team on the ice with their knowledge and their experience.

With next year in sight and with many good players coming back and some coming up from the J.V. team, Coach Parent thinks next year's will do a real good job for the Lions fans.

# Wrestling

The Lions' wrestling team faired well against its opponents this year. Even though in some meets the team as a whole came up off the mat with a loss, the individual wins in the matches pointed to a successful year for many of the Lions' wrestlers. For a few of the wrestlers this year was their first year but they still did a fine job for Coach Loweri.

Chris Syrocurka, Frank Wdoviak and Pat Lyzic as seniors led the team at the matches. Chris helped Coach Loweri greatly, by showing the team the various techniques needed to do well against an opponent on the mat.

# Basketball

The Lions' basketball team had another rough year trying to produce a good winning season record. This year's team record was 2 wins and 20 losses. As always the Lions played some really good games which brought the fans back each time for something to cheer about. Both of the winning games the Lions played were played on their home court in front of the loyal Lions fans. The team was led by seniors Gary Perella, Steve Lavoie, and Dave Bell, and of course coach Bill Kolodziey.

Coach Kolodziey is looking forward to a better year next season with a good J.V. team coming up and the sophomore and junior members of this years' Varsity team returning. Good Luck Coach.

# Girl's Basketball

Second-year coach Phil Dalessio probably found a silver lining in every cloud this season, but he must have had to look awfully hard. The Girl's Basketball team struggled to a 4-19 record this year, losing games by as little as one point to as many as 56 points.

Three of the eleven on the squad were back for their second season this year: senior Bernice Gero and juniors Pat Wilson and Brenda Robins. The only other senior who played this year was six-foot Sandy Mainville. Due to the fact that there was no Junior Varsity team this year, Coach Dalessio can only hope that some natural talent turns up at try-outs next fall to combine with those players who will be returning.

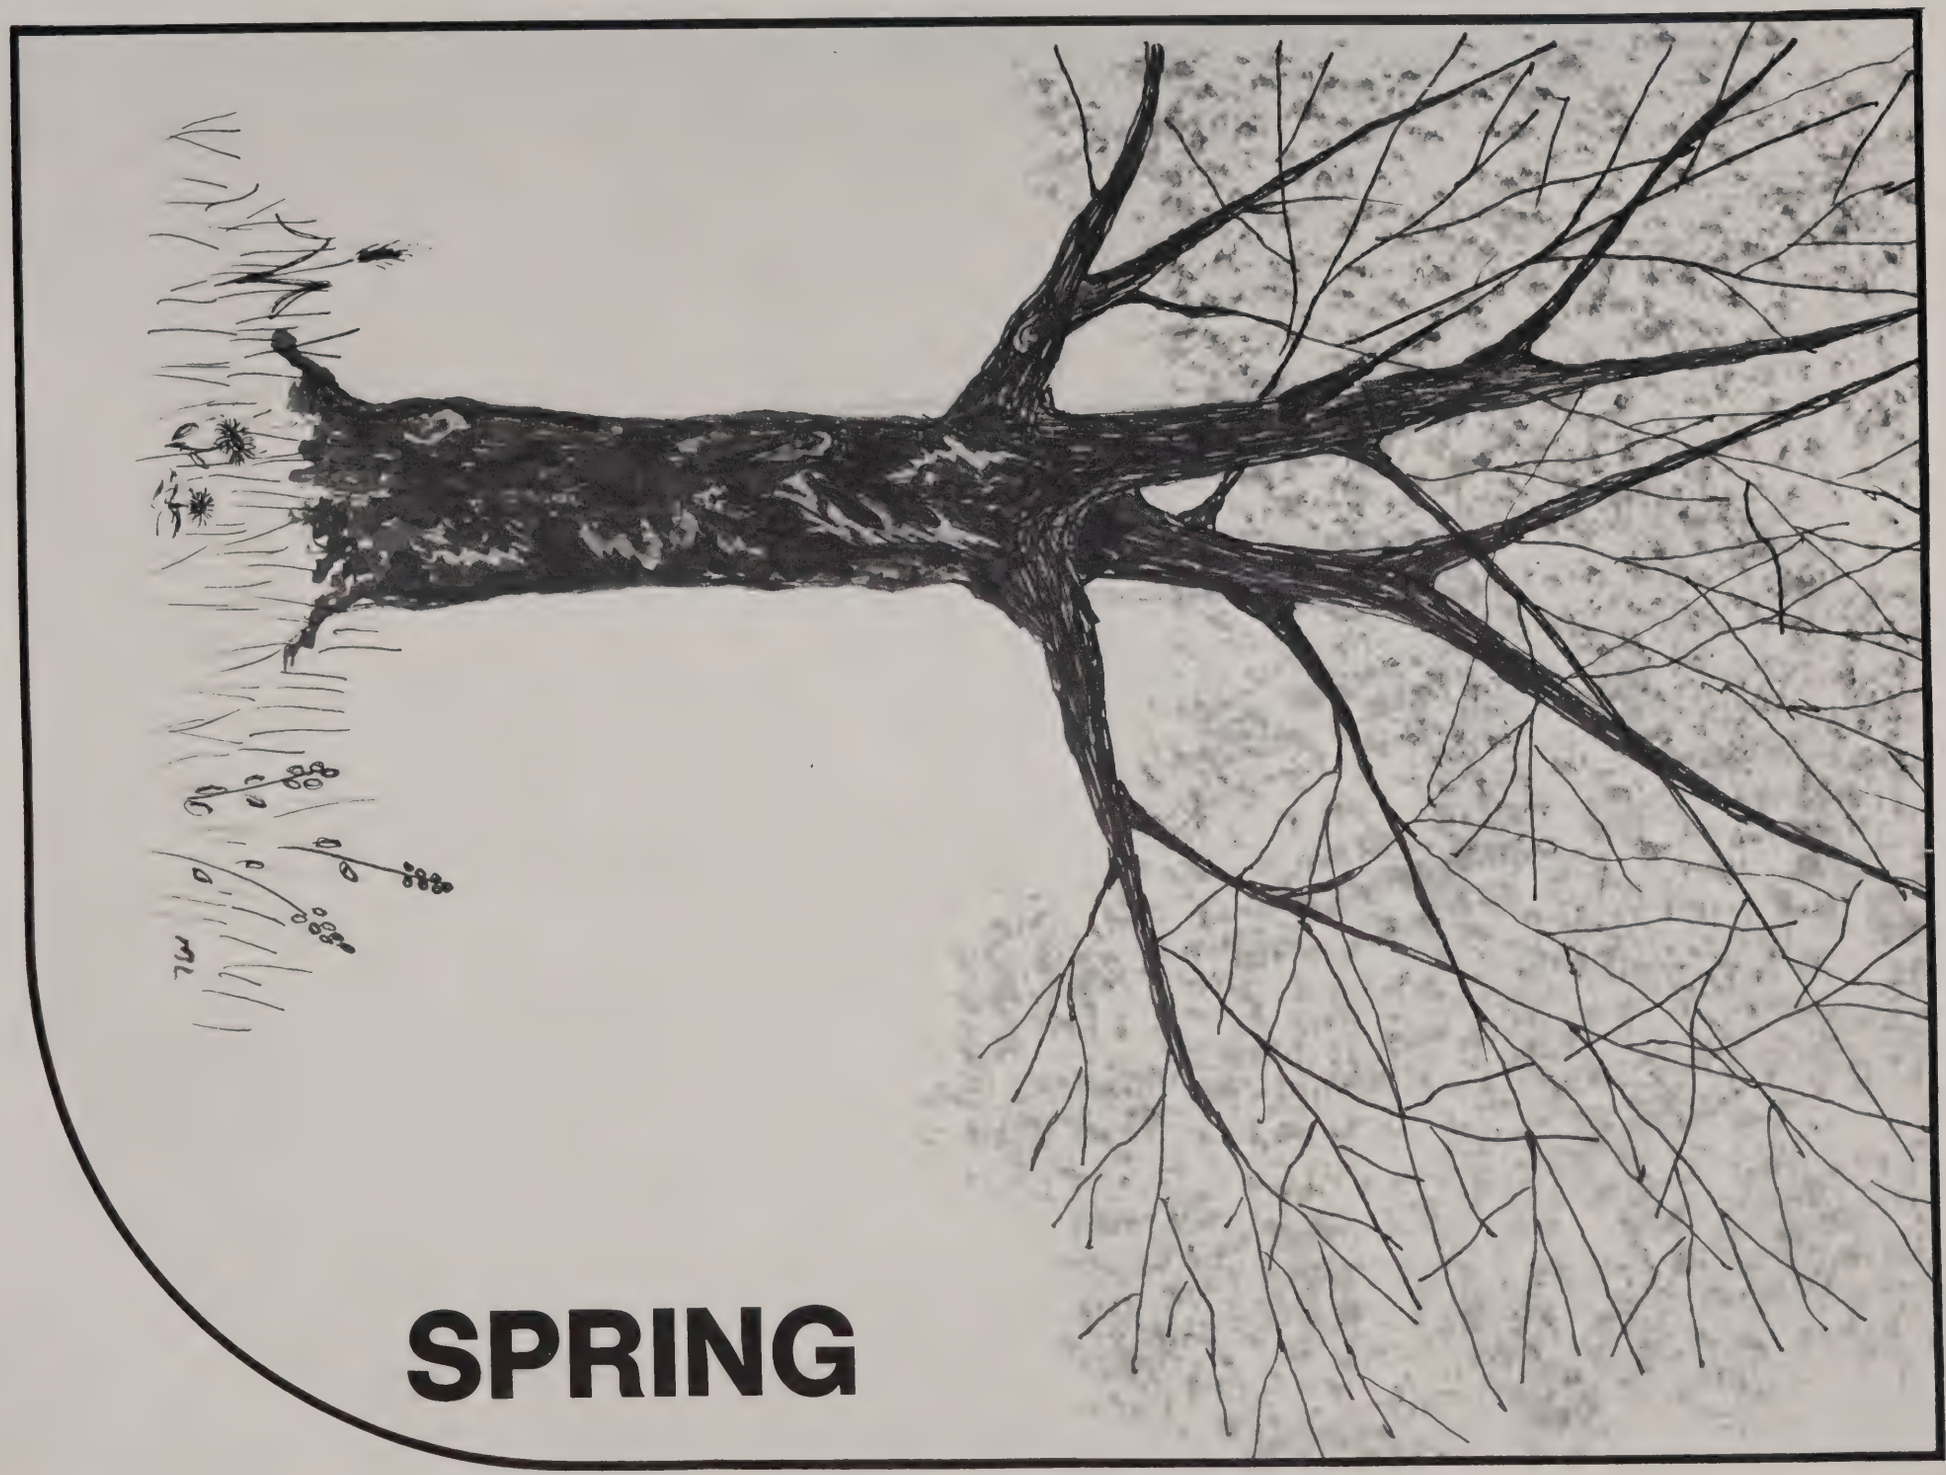
# Ski Team

For the two years that the Ski Club has been in existence, it has been one of the most popular clubs at L.H.S. The club has attracted both beginners and advanced skiers to its ranks. It was those who were advanced in their skiing skills who wanted to create a ski team. They got their wish in the winter of 1979.

To create a varsity ski team, you need three important ingredients: 1 coach, several skiers, and a mountain. Coach Kenworthy filled the top spot and the second spot was easily filled by students. But where in Ludlow does one find a mountain? One doesn't. So, every day the ski team packed up all of its gear and traveled in a school bus to Snow Basin in the Berkshires.

If you put all these ingredients together, the result is a first year ski team at L.H.S. The skiing Lions compiled an 0-8 record for its first season. One of its more promising prospects for next year is sophomore Lyle Kalesnik. Fellow sophomores Mark Dahlke, Gary Maziarz, Lisa Lemieux, freshman Walter Les, and junior Jim Pollard were among his teammates for this season.



SPRING

# "Voices"

Once again the Ludlow High Drama Club has participated in the Massachusetts High School Drama Guild 1979 One-Act Play Festival. This year "Voices" by Richard Lortz proved to be a great success. Laura Lata, Max Schneider, Tina Desautels, Michael Natario and Mary Irvine starred. "Voices" won at the quarter-finals and semi-finals which were held at the high school. Filled with excitement, the cast reached Boston for the finals and ranked fifth in the state. Max Scheider was chosen as a member of the All State Cast.

The two leading stars of "Voices", Laura Lata and Max Schneider.

# "Little Mary Sunshine"

Music filled the air when the Ludlow High School Music Department presented Rick Besoyan's "Little Mary Sunshine." The musical was held on April 6th and 7th under the musical direction of Mr. Gregory Wrinn and the stage direction of Mr. James Martin. The student coordinators were Beth Crandell and John Campolo.

The setting for "Little Mary Sunshine" was at the Colorado Inn, high in the Rocky Mountains. It was here that the young ladies of the Eastchester Finishing School met the brave, dashing Forest Rangers. Sharon Mastalerz played the innocent Little Mary, while Scott Livingstone played the good-looking Captain "Big Jim" Warrington. The two comic characters were Nancy Twinkle played by Maryann Hoover and Cpt. "Billy" Jester played by Glenn Davies. Other members of the cast were General Oscar Fairfax, played by David Murray, Madame Ernestine von Liebedich, played by Mary Irvine, John Labossiere played Chief Brown Bear and John Campolo played Yellow Feather. Among the numerous songs were "Coo Coo", "Such a Merry Party", "Mata Hari", and "The Forest Ranger". The musical ended on a happy note with "Look for a Sky of Blue".

# Thank God It's Friday!

Every year the Junior class holds a dance to which the whole school is invited. This year was no exception. On March 9, 1979 the juniors presented "Thank God It's Friday". Rock, disco and slow melodies were played by a local disc-jockey. The dance was a great success for all, but especially for the junior class, whose treasury was greatly increased.

# Spring Fashions

When springtime comes around, so do the new, beautiful spring fashions. This past April the Home Economics Department, under the direction of Mrs. Miriam Patullo, presented their hard work in the spring fashion show. The girls modeled sundresses, slacks, skirts, and blouses.

# "Everlasting Moments"

On the evening of May 11th, Juniors and Seniors attended this year's prom which was held at the Oaks Inn. On arrival to the prom all the girls received a gold and maroon stick-pin. The students dined and danced to the music of Hotline. But, even though the surroundings were elegant and the band was enjoyable, for a few the food was a disappointment. During the evening Nancy Sousa was chosen as prom queen with her escort James Natario. Diane Pruchnik, Mary Tetreault and Lisa Woodhead were the members of her court. This evening proved to be a time filled with "Everlasting Moments."

# Bike/Hike For The Retarded

This year, more than ever, the high school became involved in the Bike/Hike for the Retarded. Under the direction of Mr. Charles Bradshaw students pumped and pedaled ten miles to raise money for the mentally retarded. A prize of a ten speed bike was awarded to the person who collected the largest sum of money. Also, an award was given to the junior class for the highest involvement in the bike ride.

# Tomorrow's Memories

April 25, 1979, was an evening set aside for the Sophomore class. It was the traditional Sophomore Banquet entitled "Tomorrow's Memories". The semi-formal evening began with dinner served in the decorated cafeteria; later, students danced in the gymnasium to the music of Vincent. The class had a very enjoyable evening and owe many thanks to their class officers and advisors.

# Last Dance Of The Year!

On June 15, 1979, the Drama Club held the last dance of the year, with Tommy Mac of WHYN as the evening's disc jockey. The dance was attended by everyone from all classes including this year's graduated class. Some of the music was played upon request by many students who wanted to dedicate a few songs to their special friends. The last dance of the year always seems to be the most enjoyable.

# Baseball

This year's Lion baseball had a fairly decent season record of 13-9-0, and had they won their last game rather than lost it they would have made it into the playoffs. Although Coach Kolodziey and the team had expected to make it to the playoffs their season win-loss tally was nothing to frown about. Their tough wins over teams like Westfield, Minnechaug, and South Hadley showed the ability of the squad.

The team was led by seniors Gary Perella, Dave Burek, Dave Bell, Mark Cameron, Marty Fanning, Ed Anderson, Paul Tetraut, Rich Mei, and Mike Giza. With all these seniors gone Coach William Kolodziey will be recruiting several players up from the JV team for next year's team. Good Luck in next year's season.

# Track

This year's track team had a rough time putting things together in competition. The win over the Palmer High Panthers was the only win that the team came up with. As always though the team record does not reflect the overall performance of some of the individuals on the team. Many of our track Lions placed well in the team's competition. With only five seniors, Ray Robar, Paul Marshall, Chris Scyocurka, Reese Savoie, and Michelle Germain on the team this year, Coach Larivee can look foward to a more experienced crew coming back in the next season. Keep on Tracking, Coach!

# Golf

This year's golf team fared far better in its competition against other teams then they had in past years. A very good indication of just how well they did is the team record for this season, an impressive 15-0-1 tally. This record was the best team record of any sport in the high school this year. Not only did the team do well in the regular season but they also did well in the post-season activities. The golfing Lions, led by Coach Larry "Jack" Holdsworth, came out of the Western Mass. play-offs in the top-seat and out of the State Championships in second place.

Seniors Steve Lavoie, Steve Costa, and Joe Saloio made way to the Western Mass. and State individuals; at the competition Steve Lavoie placed the highest for the Lions, coming in second place in the Western Mass. play-offs and fourth in the State Play-offs.

A real fine season record, a good post-season record, and some good individual scores; a hard goal to beat for next year's team. Good Luck Coach ... and players.

# Varsity Softball

Under the guidance of Coach Pat Sullivan, the girl's varsity Softball team finished the season with a 9-12 record. An average of 17 points were scored in every game with the lowest number of runs being 7 and the highest being 52. After losing 11 of their first 15 games, the Lions came back to win 5 out of their last six games. One of the most valuable players this season was senior Ann Reid. Reputed by one long time observer as being the best shortstop in six years, Ann also contributed to the team's offense by belting out several home runs and extra base hits. Ann's development as a skilled athlete and her sportsmanship throughout her four years at L.H.S. not only earned her the respect and admiration of her teammates, but also that of her coaches. At the graduation ceremonies in May, she received an award for being the student who added most to the girl's sports program at L.H.S. As for next season, prospects include Cindy Colucci and Debbie St. Peter.

# Varsity Tennis

Although the Varsity Tennis Team is open to both boys and girls, this year's team consisted of only eight girls. Coaching the team for its second year was Coach Kenworthy. Under his guidance the Ludlow Lions completed the season a 0-18 record. Being a relatively new competitive sport at L.H.S., the players have yet to acquire the experience necessary to compile a winning season.

Coach Kenworthy, Maureen Borbeau, Maureen Coache, Nellie Leal, Maria Gomes, Elaine Borbeau, and Pam Piecuch.

## Senioritis ! !

by I.M. Sick

A relatively new, yet unclassified, disease seems to be plagueing the class of '79. This disease, appropriately called "Senioritis" after the life form which it attacks, lies dormant for three years and then overwhelms the senior class. Seniors are brutally inflicted with a rash of rowdiness and spir[illegible] are baffled. Some say the disease originated with the class of '78. Others believe it is a new childhood disease and seniors will eventually grow out of it.

It seems that Senioritis has affected only Ludlow High seniors. Other schools in the area have normal, average seniors. Is it the new unity the class of '79 has found? Or is it the emotional anxiety

## Begin Under Pressure

The major battleground in the Middle East last week was the Israeli Knesset, or Parliament, in Jerusalem. Even as talks between Egypt and Israel resumed in England under U.S. auspices, Prime Minister Menachem Begin was fighting bitterly back home with opposition party leaders. They accused him of impeding peace efforts and even suggested he was mentally unbalanced—possibly as a result of overmedication. "Sickness, sickness—but he is Prime Minister," said Haim Bar-Lev, secretary-general of the Labor Party. And even a member of Begin's own Cabinet joined the extraordinary, harsh chorus of criticism. # ORGANIZATIONS

# STUDENT ADVISORY BOARD

It is the job of the Student Advisory Board to see that the rights and the views of students are heard at school committee meetings. With the combined forces of Bernice Gero, Debbie Polak, and Patty Sears, the students of Ludlow High were well represented. The Board was responsible for the monitor in the restrooms in order to reduce smoking and vandalism. They also represented the pupils of Miss Bergeron, and helped keep her position as a substitute teacher. The toughest battle was the fight to retain senior privileges, in which they won. It was a successful year for the Advisory Board and much thanks is given to their hard work and efforts.

# STUDENT COUNCIL

Student Council, the governing body of the school, had a most active year. Besides its usual function of approving activities throughout the school, Student Council also held a Booster Day Dance for winter sports. After this event, they sponsored a Blood Mobile, under the direction of Val Mishol and Ray Robar, in which a record number of pints were donated. The Student Council advisor was Mr. Richard Pinkos, and the officers were Elaine Coache, pres.; Elaine Lewison, vice-pres.; Joanne Ziemba, sec.; and Mary Jo Perella, treas.

# SENIOR EXECUTIVE BOARD

Instead of electing new members this year, the Executive Board retained the same students from the Junior year. The Board organized a successful magazine sale and a Booster Day Dance, which helped to raise money for the class's yearbook. A new tradition started this year was a Christmas Banquet which was put on by the Executive Board. The Board's function ended this year with the ordering of the Senior mugs and the annual Senior Banquet in May. Many thanks to Mrs. Sandra Monette, Miss Susan Wyzik, Mr. Steve Marino, and Mr. Raymond Sylvain for all their help in making this Senior year a successful one.

# FRENCH CLUB

The French Club, headed by Mr. James Martin, had another very successful year. In the fall the club went to Boston to visit the Whole World Celebration. Their fund raisers included a candle sale, which raised the most money, and a car wash in June. The funds went towards the trip to Quebec from June 19 to 21. For its eleventh year the Junior Classical League continued to be a popular club with its advisor, Mr. Charles Bradshaw. The club held a Horror Night which showed films to raise money for the annual JCL show. This year's show was "I Believe In Father Christmas", the first Christmas show ever put on by the club. The Golden Agers and the retarded citizens from Monson and Belchertown schools were invited guests to the very successful production. This year's officers were Ray Robar, pres.; Gary Perella, vice-pres.; Lisa Mendes, sec.; and Janet Thompson, treas.

# SPANISH CLUB

This year's Spanish Club was advised by Mrs. Paula Bennett and Mrs. Leona Doyle. The members sold "chupa chup" lollipops to raise money for a club trip to Riverside Amusement Park at the end of the year. The club also visited the Whole World Celebration in Boston and participated in the language clubs' Christmas party. # PORTUGUESE CLUB

The Portugueses Club's second year proved to be more successful than its first. The club participated in a trip to the Language Fair in Boston during the fall. To raise money the club sold key-chains, held an Easter basket raffle, and sold baked goods at the Memorial Day Parade. This money went towards the expense of a trip to New York City on June 1. # Pro Merito

Pro Merito is Ludlow High School's chapter of the National Honor Society. In order to qualify, a student must be outstanding in scholarship, leadership, character, and service. To honor these juniors and seniors, a candlelight induction ceremony was held on February 7, 1979, in the school's auditorium. The ceremony was conducted by Linda Emery, president, and advisor, Mrs. Suzanne Kelly.

# CHESS TEAM

This year's Chess Team, which consisted of five players, had the best season ever in Ludlow High. John Laamanen and Mark Absous, seniors, and Tim Donnelly, Charlie Laamanen, and Walter Craven, juniors, participated throughout the season. With the added help of Phil Prescott, Bob King, and Jeff Bolow, the team finished with a 7-3 record, and placed second in Division II.

# MATH TEAM

The Ludlow High Math Team, directed by Mr. Daniel Lynes, finished seventh out of sixteen teams, tying with Classical High. Top scorers were Tom Lopes, Mike Slozek, and Russell Laverty, but each member contributed his best towards their successful year and victories.

Mike Slozek, Frank Gallo, Richard Houle, Ghris Gariepy, Thomas Lopes, Russ Laverty, Paul Marshall, Cathy Barszewski, Jay Crescentini, Kim Chenaille, Diane Monette, Dave Ward, Phil Prescott, Kevin Schmidt, Yvonne Myers, Tina Desautels, Joe Saloio, Steve Lent.

# LIBRARY AIDES

The Library Aides were directed once again by Mrs. Ruth French and a new librarian at Ludlow High, Mr. Richard Winnick. During their free periods, the Library Aides help the librarians, catalogue and shelve books, and in general, keep order in the library. This past year at Easter time, the library held a raffle in order to encourage students to return overdue books. The plan was a success and an Easter basket was given to the person whose name was drawn from all the students who returned books.

# AS SCHOOLS MATCH WITS

Ludlow High School vs. East Granby High School

For the third consecutive year, Ludlow has had an "As School Match Wits" team. The team is advised by Mrs. Francis Libiszewski. The team members were Frank Gallo, a senior, and Donna Kusnierz, Kevin Schmidt, and Michael Slozek, juniors. Michele Chmura and Tom Bardeau were the alternates. The team defeated East Granby, Wilbraham Monson Academy, and Chicopee Comprehensive. They entered the playoffs, but were defeated by Northampton. The team's hard work proved to bring them a winning season and an even more promising team next year.

# MEDIA CLUB

One of the most active but least appreciated clubs in Ludlow High School is the Media Club. Since the beginning of the year the club has handled the audio and visual effects for such performances as the JCL show, the Senior show, and "The Hobbit". They have also supplied the teachers and classes with televisions, cameras, and tape recording devices. This year's officers were Ken Bergeron, pres.; Chuck Crowther, vice-pres.; Kevin Coelho, sec.; and Louise Belisle, treas.

# DRAMA CLUB

Drama Club members certainly proved this year that Ludlow has many talented students. This year's first production, "The Hobbit", was held on November 9-12, and was a great hit with both the students and the adults. This, however, was only the beginning. In March Ludlow High's one act play, "Voices", competed in the Regional and Semi-finals of the Drama Festival, and placed seventh in the Finals. One of the leads, Max Schneider, made All-State.

It was not all hard work for the Drama Club because they held both a Halloween and a Christmas Party, as well as, their annual Drama Club Banquet.

Mr. Howard Burrage and Mrs. Diana Roy are responsible for the great success of the club because of the hard work and devotion they contributed.

# CUB STAFF

The Cub Staff, edited for the second consecutive year by Michele Chmura, produced five issues of the Cub. They also issued a special senior edition, which included class prophesies, wills, and ballot. One new addition to the newspaper was a "Lonely Hearts" column, in which students who have problems with their "love life" could seek aid by writing to the Cub. The advisors to the Cub were Mrs. Rae Teed and Miss Kathie Titus.

Editors: Michele Chmura, Katherine Lamondia, Claire Myers, Phil Meher, Frank Gallo, Lynn Maziarz, Diane Skwisz.

# The Ludlow High School Band

The Ludlow High School Marching Band was under the direction of Mr. Royce Layman, Mr. Daniel Carlson and Mr. Dennis Bunten. On the field the band was led by drum major David Murray.

After marching season two separate bands were formed. Wind Ensemble was conducted by Mr. Layman and practice teacher, Mr. Chet Nowak. Concert Band was conducted by Mr. Carlson. A percussion ensemble was formed under the direction of Mr. Nowak. All worked through the year in preparation for the trip to Jackson, Michigan in April.

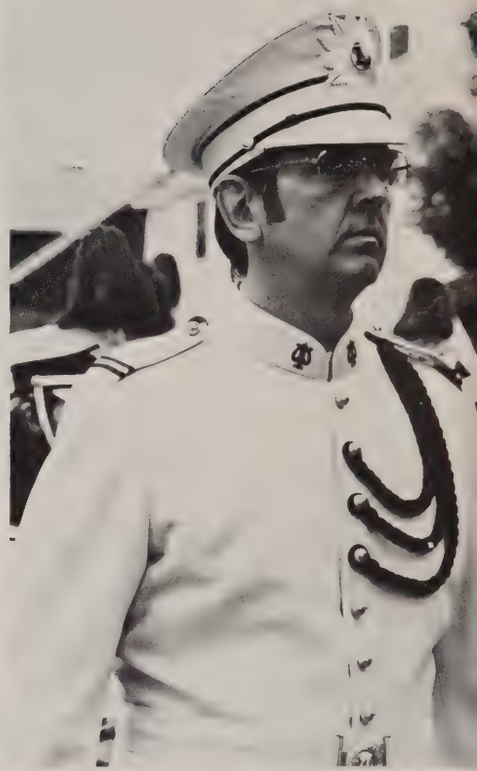
When the band returned from Michigan a "thank you" concert was put on to thank the people of Ludlow for their support of the band's fundraising efforts.

The marching band along with the majorette and color guard participated in the Memorial Day Parade.

Wind Ensemble concluded the year by providing the music for graduation.

## Western Mass. District Band

This year L.H.S. students were chosen to play in District. The District band is made up of the best musicians in Western Mass. Those from Ludlow include: Tanya Kozaczka, Denise Brodeur, Mark Nichols, Beth Crandell, Robert Barxcz, Karen McVeig, and Brian Labodycz, All-State Beth Crandell.



## Annual Band Banquet

Each year the Ludlow Music Society sponsors the Band Banquet to show their appreciation for the work done by the Band and Concert Choir throughout the year. Food for the Banquet is prepared by the members of the Band and the Music Society in the form of a smorgasborg dinner. After the meal was concluded, Max Schneider, this year's Band President, read the results of the Band Ballot which is a survey taken every year among the Band members to determine the Best Dressed, Best Musician etc.

Following the reading of the Band Ballot tables, chairs and parents were cleared from the cafeteria to make room for dancing. Music was provided, not by Band members, but by records. As always the banquet was a tremendous success. The Band Ballot which was voted on earlier in the month is listed to the right of this column.

## Band Visits Michigan

On April 26 the band left for Jackson, Michigan. They took buses to Bradley Field and then left for Detroit on two separate planes. After both planes had landed the band again boarded buses for the 90 mile trip to Jackson. While in Jackson the Ludlow students stayed at the homes of Michigan band members. During their stay in Michigan the Ludlow band attended rehearsals of the Jackson Concert Band, Wind Ensemble, and Jazz Band. That night Ludlow and Jackson bands put on a joint concert. The next day L.H.S. students attended the Michigan All-State Festival band competition. That evening everyone went to a dance at the high school.

On April 29 the L.H.S. band left from Detroit, again on two separate planes, and gratefully returned to Ludlow that day.

To make the Michigan trip possible many fundraisers were held by the band in conjunction with the Music Society. To raise the $17,000 needed to make the trip they sold pens, chocolate bars, Florida citrus fruit, lion appliques, magazines, raffle tickets, buttons, pom-poms, held a pancake breakfast, and a spaghetti supper.

The Concert Choir

# L.H.S. Concert Choir

This year the L.H.S. Concert Choir showed surprising talent and vitality. Their first concert was the Christmas Concert on December 20. The choir performed in the high school auditorium and delighted the audience with such pieces as the ecclesiastical "Regina Coeli" by Mozart, "Immortal Love", a piece by Eugene Butler, and "Swinging Bells" done by Chorale livened the mood of the evening. On December 13 the Chorale had performed many Christmas selections for a women's club at Storrowtown Village. The Chorale has been invited to do this every year and always the result is a tremendous success.

As good as the choir was at the Christmas Concert, they were even better five months later when they appeared this time at the Chestnut Street School for their annual Spring Concert. Under the direction of Mr. Gregory Wrinn and student teacher Miss Karen Javier from the University of Massachusetts at Amherst, the choir performed for their opening numbers: "Walking On the Green Grass", "Jesu, The Very Thought of Thee", and "Fireflies." The Freshman Choir in particular showed noticeable improvement. Among the pieces which they performed were: "Edelweiss", "High Upon the Mountain", "Solfeggio" and "You Needed Me." Chorale included in its repetoire: "O Can Ye Sew Cushions", "Rockaby Your Baby" and the theme from "Pink Panther". In the second half of the concert the entire Choir once again assembled on stage to perform, among other songs, "O Be Joyful In The Lord", a superb combination of classical theme and synthesizer music. The Choir had attempted the same piece at their Christmas Concert but trouble with the audio system had prevented them from completing the selection. The choir also performed an arrangement of exerpts from the musical "Oliver", featuring a solo by John Campolo. The Choir ended their concert and the year as they always do, with "The Lord Bless You and Keep You."

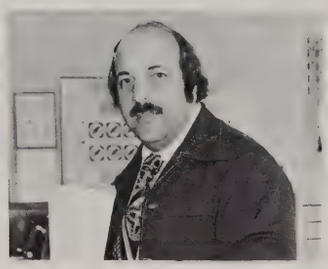
Dr. James Tierney-Superintendent



Mr. James Cavallo-Vice-Principal

Mr. John J. Hurley-Principal

Mr. Edward Wilcox-Truant Officer

This year the School Committee enacted more reqirements for completing a course for full credit and for graduation. For college prep students term papers were required in at least two departments.

The Math Department instituted a new computer course centering on teaching the basic language of the computer and using a mini-computer. The course was scheduled three times a week.

In the Physical Education Department a CPR course was offered as one of the electives. CPR taught a life saving method for drowning and heart failure victims. It was taught by Mr. Serra and local firemen.

This was the last year for the Oral History course taught by Dr. Kosher. It was a half-year course for seniors only. Next year a similiar course will be offered solely to underclassmen.

Mrs. Charlotte Focosi retired as head of the Commercial Department. She taught at Ludlow for 38 years. The last 9 years she was head of the department. She supervised the printing of programs for many productions. Mrs. French retired from the librarian position after 8 years of service. Also,

Mr. William Rooney-Vice-Principal

Mrs. Afonso retired after 13 years as Matron. Mrs. Focosi, Mrs. French and Mrs. Afonso have contributed so much during the years they were with us.

The faculty of Ludlow High has gone through another year of students commenting on homework assignments, term papers and surprise quizzes. Though we sometimes think that Education is as Robert Frost said, "just hanging around until you've caught on," the teachers of Ludlow High School are guided by the fact that "Education makes Ludlow easy to lead, but difficult to drive; easy to govern but impossible to enslave." — Henry Peter, Lord Brougham

We were like seeds,
Watered with knowledge to make us grow.
We have finally broken through the soil,
And we can see the light.

The light slightly blinded us,
Because it came so suddenly.
The light is like reality,
Something we need, to see things more clearly.

Why is it so hard to let go?!
I can feel it slipping through my fingers.
It seems as though I held the past few years
In my hands for only a moment.
Which frightens us most
The fact that the times we have now
Will only live on in our memories,
Or the fact that the future
Will not quench our thirst for independence?

— Mary Potorski
